

RRRF Funding delivered by CFDCs – Trenval Assists with \$2.9 Million

CFDCs throughout Canada were a central part of the Regional Relief and Recovery Fund (RRRF), which provided liquidity support to businesses and not-for-profit organizations affected by COVID-19 that were unable to access other federal relief measures or require additional support from May 2020 to June 2021.

Locally, Trenval is proud to have assisted 64 businesses with \$2,919,888 in funding to our catchment area in the Bay of Quinte impacting 168 jobs. A range of businesses were assisted, such as retail shops, regulated, professional and health services, agri-business, non-profits and trade service businesses.
